Tournament officials have the right to delay or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the competitors. Tournament waters may also be restricted at any time because of bad weather. ALL PERSONS IN A TOURNAMENT BOAT SHALL REMAIN SEATED WITH THEIR FEET RESTING ON THE MAIN FLOOR OF THE BOAT WHEN THE COMBUSTION ENGINE IS RUNNING. SITTING ON PEDESTAL SEATS WHILE THE COMBUSTION ENGINE IS IN OPERATION IS NOT PERMITTED. VIOLATION OF THIS RULE SHALL BE REASON FOR IMMEDIATE DISQUALIFICATION.

SPORTSMANSHIP: *Competitors are expected to follow high standards of sportsmanship, courtesy, safety and conservation.* Any infraction of these fundamental sporting principles may be deemed cause for disqualification. Use of alcohol or drugs (other than those purchased over the counter or prescribed by a licensed physician) by any participant during the official practice or during the tournament or during the weigh-in will not be tolerated and shall be cause for automatic disqualification from this and all future Texas TBF tournaments. Maximum courtesy must be practiced at all times, especially with regard to boating and angling in the vicinity of non-competitors who may be on tournament waters. Any act of a participant which reflects unfavorably upon efforts to promote fisheries conservation, clean waters, and

courtesy shall be reason for disqualification. All competitors are bound by prevailing state or country statutes and regulations of the various waters within which they fish. No alcoholic beverages or other stimulants or depressants, prescription or otherwise, shall be allowed in the boats during official practice or competition day or when in the weigh-in area. 4.) TACKLE AND EQUIPMENT: Only artificial lures may be used. No "live bait" or "prepared bait" will be permitted, with the exception of pork rinds, strips, etc. Only ONE casting, spin-casting or spinning rod (8-foot maximum length from butt of the handle to rod tip) and reel may be used at any one time. All other types prohibited. All bass must be caught live and in a conventional and sporting manner. Anyone guilty of snatching or snagging visible fish will have their day's catch disqualified. When visually fishing for bass, all bass must be hooked inside the mouth and *must be verified* by the Boat Captain before unhooked to be counted as a legal fish. **NETS ARE ALLOWED.** Bass may not be "stringered" at anytime. No gaffs OR "Grippers" may be used to boat bass nor be permitted in the boat at any time.

5.) BOAT AND MOTOR: For the safety of all contestants, **ALL BOATS MUST BE EQUIPPED WITH SOME TYPE OF OPERABLE IGNITION KILL SWITCH.** This ignition kill device must be attached to the driver's body any time the combustion engine is operating. Anytime the combustion engine is operating the Boat Captain must be in the driver's seat in full control of the boat. Fishing boats may be used that are 16 feet in length or longer. Any raised platforms or decks cannot be higher than the gunnel of the boat. A small electric trolling motor may be used for slow maneuvering; however, trolling as a method of fishing is prohibited. All BLADDER tanks and any other type of AUXILIARY gas tanks that are not installed by the boat manufacturer are prohibited. Additional gas tanks that are factory options and installed by an authorized dealer are legal. Boats that do not have factory installed gas tanks are restricted to a maximum of 18 gallons of gasoline in tanks that meet U.S. Coast Guard regs. Gas tanks must be properly secured or strapped in a boat. Under no circumstances shall a competitor be allowed to "store" additional gas on the bank or anywhere else for use in a tournament boat. No "barges" or similar cumbersome craft will be permitted. **NO BOAT EQUIPPED WITH "STICK STEERING" SHALL BE PERMITTED TO BE USED DURING THE TOURNAMENT BY ANY COMPETITOR.** The definition of "stick steering" shall be made by the Tournament Director.

6.) . BASIC BOAT EQUIPMENT: Every boat must have all the required Coast Guard safety equipment. In addition, it must have a functional bilge pump and **LIVEWELL SPACE, PROPERLY AERATED, TO ADEQUATELY MAINTAIN ALIVE A LIMIT CATCH OF BASS BY BOTH COMPETITORS USING THE BOAT.** Tournament Director shall have the sole responsibility for determining whether aeration and capacity is "proper and adequate" and whether the boat meets all safety requirements set forth.

7.) BOAT IDENTIFICATION: Each boat MUST be given, prior to each day's start, an inspection check by a tournament official, Also a boat marker, number tag which MUST remain on in the boat. Boat Captains are responsible for turning in all numbered tags at official checkpoint. So officials can account for all boats.

8.) BOAT OPERATION: A full discussion MUST be held between the two Junior Anglers and the Boat Captain prior to a morning departure as to the schedule of boat operations. This schedule MUST permit each Junior Angler equal time to fish their selected waters. Distance traveled to fishing locations must be considered in order not to deprive either partner fishing time while traveling to and from fishing waters. Any contestant who, in the judgment of the tournament officials, operates in such a manner as to unfairly handicap his partner shall be disqualified. The Boat Captain has sole discretion to veto any location for safety reasons. The Junior anglers may operate the trolling motor if the Boat Captain deems they are competent to do so. **BOAT CAPTAINS MUST BE 21 YEARS OF AGE OR OLDER. BOAT CAPTAINS MAY NOT FISH. THEY ARE THERE TO PROVIDE ONLY TRANSPORTATION AND ASSIST THE JUNIOR ANGLERS IN EMERGENCY. THEY SHALL NOT ASSIST WITH FISHING LOCATIONS, BAIT SELECTION, LOANING OF EQUIPMENT OR BAITS, BAIT THE LINE, TIE KNOTS, CAST OUT THE ROD, SET THE HOOK, BRING FISH TO THE BOAT. THE BOATER MAY NET THE FISH FOR THE CONTESTANT IF THE CONTESTANT ASKS. THE BOATER MAY HELP WITH HOOK REMOVAL IF THEY CONSIDER IT A HAZARDOUS SITUATION.**

9.) PERMITTED FISHING LOCATIONS: Tournament waters shall be established by the Tournament Director for each Tournament. Each participant must obtain this information. Fishing on Tournament waters is permitted anywhere except: within 50 yards of another competitors boat which was first anchored or secured in a fixed position **WITH THE TROLLING MOTOR OUT OF THE WATER.** The anchored boat has a responsibility to inform other competitors boats when they have entered the 50-yard circle claimed by him. No such boat shall permit selected competitors to fish within the 50-yard circle claimed by him, to the exclusion of any other competitor. Any water within these boundaries posted "off-limits or no fishing" by state or federal agencies will be OFF-LIMITS. No contestant may "Buy" or "Barter" a fishing location. Only that water open to ALL public fishing will be considered tournament waters. Any water closed to public fishing will be closed to these tournament contestants. All angling must be done from the boat.

10.) CONTESTANTS MUST REMAIN IN BOAT: Participants must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Participants must leave and return to official checkpoint by boat. All participants must remain in boat at all times except in case of dire emergency. In such an emergency, both competitors may be removed from their boat to: **A BOAT OPERATED BY OTHER COMPETITORS OR A RESCUE BOAT.** The momentary condition of being out of site of each other for restroom breaks is permitted. **Otherwise,** Competitors must remain together at all times, in sight of each other and each other's catch under the conditions cited above, in order for their catch of that day to be counted. If a competitor must violate any of the above conditions (to use a phone to report an emergency or breakdown) both competitors must cease fishing at this point, and their catch must be verified by a tournament official in order to be counted in the tournament. If after the emergency situation is resolved by tournament officials and enough time is left to resume fishing, a RESTART will be allowed and the competitors will continue and their catch will be counted. This applies only to dire emergency situations. Trailing of boats during tournament hours is prohibited, except by the direction of the Tournament Director.

11.) OFFICIAL CHECKPOINT: There shall be an official checkpoint for checkout in the morning and check-in in the afternoon and this point shall be designated at the tournament briefing. At the time of check-out all competitors and their boats shall be in full conformance with all rules set forth by the Tournament Director; at check-in all boats shall identify themselves, and proceed immediately to the designated weigh-in area. Partners must stay together, through check-in and weigh-in. **YOU MUST CHECK-IN EVEN IF YOU DON'T HAVE ANY FISH.**

12.) SCORING: Tournament standing, auxiliary awards and final standings shall be determined by each competitor's catch during the tournament. Only Largemouth, Spotted Bass, and Smallmouth will be weighed. The limit shall be 5 of the above species that day. At no time shall a competitor have in possession more than the tournament limit. Tournament Officials will conduct checks for violations of this provision, and in the event a competitor has in their possession more than the stated limit, shall cull, starting with the largest bass first, etc., down to the stated limit. The official minimum length for bass is what the Texas State rules are for the lake you are fishing. Only bass which measure within the official size limits with the tail pinched, shall be weighed-in. Bass presented for weigh-in which fail to measure the official length shall accrue penalties at the rate of one pound for each non- legal bass. This penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled, or otherwise altered will be weighed and credited only at the discretion of tournament officials. After a competitor checks in at the official checkpoint he MUST present all fish in his possession to tournament officials to be counted, measured and weighed. Once a competitors catch has been measured, counted or verified by a tournament official, that contestant may not return to his boat until his catch has been weighed and recorded. Bass must not be stringered at any time during the tournament.

13.) CULLING OF FISH: If it becomes necessary for a competitor to cull his or her days catch, every effort must be made by the competitor to handle his or her own fish. **Competitors cannot cull a dead fish.** State laws may prevail. **DON'T KILL YOUR CATCH:** Each competitor is expected to keep their bass alive by use of a properly aerated livewell.

14.) PENALTY POINTS: For each legal dead bass presented to weigh-in officials, the competitor shall be penalized **EIGHT (8)** ounces of weight, to be deducted from their daily score. The Tournament Director shall have sole authority for accessing penalty points.

15.) LATE PENALTY: Competitors who are not in the official checkpoint area at the appointed time shall be penalized at the rate of one pound per minute to be deducted from the total weight of their catch that day, including any "Lunker Award" for each one minute they are late. Any competitors more than 10 minutes late shall lose all credit for that days catch. There shall be no excuse for tardiness and in no case will a competitor be allowed to make up "lost time". After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must stop upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours. Exact start-ing and check-in times will be announced at the tournament briefing.

16.) TIES: In case of a tie the following tie breakers will be used in order: 1.) The individual with the largest number of legal fish weighed-in during the competition; 2.) The individual with the largest fish weighed-in during the competition; 3.) In the unlikely event that individuals remain tied after these two tiebreakers are employed; then a flip of a coin will be used to determine the winner(s).

17.) PAIRING OF CONTESTANTS: Wherever possible two contestants, **one from each age group** will be assigned to each boat with one Boat Captain. If for any reason only one contestant is available to go with a Boat Captain, an observer will be assigned to ride in that boat with them. Whenever possible, no contestants from the same club will be paired together. Announcement of your day's partner and Boat Captain shall be made at the pre-tournament briefing, both of which must be attended by each competitor and Boat Captain. It shall be the responsibility of each participant to appear at a mutually agreed upon location with sufficient time remaining to check out at the official checkpoint and start on time. Tournament officials shall have no responsibility for finding lost partners. The Tournament Director may reassign partners at any time prior to take-off. It is suggested that 30 minutes, minimum, is required for preparation to depart the check out point. When participants check out in the morning they must stay together and in sight of each other and each other catch throughout the day until the weigh-in is completed except in cases of dire emergency. A contestant must not allow any bass caught by him to be counted on the score of another contestant. In such a case, both contestants shall be disqualified from this and all future tournaments.

18.) Nothing in the above rules shall prohibit a Texas TBF tournament official from approaching or boarding a competitors boat at any time during the official tournament. During the Texas TBF Junior State Championship tournament, parents, guardians, or sponsors will maintain a **200 yard** distance from **all competitors.** Parents, guardians, or sponsors, who are boaters that day are exempt only from the 200 yard distance. Passing in a channel is allowed. No communication with **any** of the junior anglers is allowed during the tournament hours except by tournament officials or emergency. Failure to maintain the specified distance or communication could result in a disqualification of the junior angler of that parent, guardian, or sponsor in violation.
